

Dear Jin,

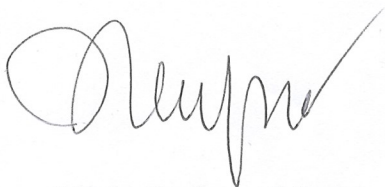

I am writing to thank you for all your fine work in helping me maintain my investment condo at Yonge and Sheppard. Specially, I am most grateful for your intelligent and expert advice regarding the purchase of this Emerald condo. You were respectful when giving me the information that I needed, not once did I feel that you were pushing me in any direction.

Your hard and precise work explains your successful 15+ years of experience in the field, crossing every "T"s and dotting every "I"s, nothing was left undone. Your exceptional marketing methods attracted a lot of attention and the materials that you prepared showed the house to its best advantage. Now, I can see why it only took 2~3 days to find a new A+++ tenant, with excellent backgrounds and credit scores. Your work didn't end here like other agents, your service was consistent throughout the 1-year lease period, leaving my work minimal.

Not only was your service top notch for buying and selling a property, your service was no less when I had to lease out this condo. For that, I buy highly of your professionalism, as there is no such thing as "small task" when it comes to your clients.

Jin, I would definitely recommend you to a friend looking for consulting in Real Estate. You are great at what you do and I have great expectation for my future investments with you.

Best Regards,
